

WHAT'S *SUNRISE TOURS*?

● **SUNRISE TOURS**

Sunrise Tours is a brand of the JTB Group, the largest travel agency in Japan, which specializes in tours for overseas visitors to Japan. With a history of over 50 years, Sunrise Tours has welcomed over 7.5 million visitors to Japan. Our lineup currently includes over 2,000 tours visiting places all throughout Japan, meticulously tailored by our planning team to meet the needs of both first-time and repeat visitors. For example, we have created a selection of tours accompanied by an interpreter guide to make visiting major sightseeing locations as stress free and time efficient as possible for first-time visitors to Japan. Each and every one of our interpreter guides are nationally certified so you can be sure you will have the perfect holiday experience! And for all those seasoned travelers who are confident in getting around by themselves, we have a range of reasonably-priced accommodation and transport packages, as well as experience tours, such as a kimono dress-up or tea ceremony experience, that offer a firsthand taste of authentic Japanese culture.

● **Enhanced Support for Visitors from Around the World**

In an effort to make Japan even more accessible for all, we are continually working to strengthen our support for international visitors. This includes implementing various services including Muslim-friendly meals and multilingual support. In addition to tours accompanied by English-speaking guides, our lineup now features a selection of courses that include audio guide support in six languages (Chinese, Spanish, Italian, French, Thai, and Indonesian). Furthermore, Sunrise Tours now offers a selection of tours specifically designed to cater to the needs of Muslim visitors. We are continually working towards improving our lineup to ensure that every experience is a perfect one, so we ask for your support in promoting these products.
